

The NUTWOOD MAP

The map of Nutwood Village and the surrounding area has been produced.

With a delightful border of Nutwood characters, it will make an attractive feature on any collector's wall. After various Rupert artists have previously declined to provide a Nutwood map, it is here at last, and we are confident you will think it was worth the wait.

The map measures 580mm x 490mm and is printed on high quality Accent Antique Silk 150gsm paper.

It might not totally fit with your mental image of the locations of the various Nutwood features, but it was what the Nutwood Ordnance Survey Company found when they did their survey.

Copies will be sent rolled in a special tube which, along with postage costs, unfortunately adds to the price for a single copy. You might like to order extra copies at £10 each, as it will cost no more for me to post. I will try to use the new Rupert stamps on your package where possible.

UK price: £20.00 for a single copy; two copies £30.00 and three for £40.00.

Overseas cost (posted International Standard): £24.00 for a single copy, £34.00 for two and £44.00 for three. All prices quoted include postage.
