

Followers' Fun Day and AGM - Saturday 27th August 2022

Venue: Radcliffe Training and Conference Centre, Warwick University, Coventry

This year we have greatly improved the standard of the facilities available, to improve your enjoyment and to make the weekend more comfortable. The improvements will be felt via better accommodation and associated facilities, the event will be all in one area with good access and proximity. This does however mean the accommodation and food will cost more if you choose to make use of it; you are of course able to make your own arrangements if that suits your needs better.

We are delighted we have been able to bring the event back to a central UK location, giving the maximum number of members the chance to attend. We are greatly looking forward to seeing you all over the weekend.

Please make the following reservations for the Followers of Rupert Fun Day and AGM		Any Dietary Requirements	
Name of all registering to attend			
Address			
	Post Code
