Venue: Radcliffe Conference Center Warwick University, Coventry

We are delighted to be making Warwick University our new permanent venue. All those who have ventured to the venue over the last two years will be able to confirm the high standard of the facilities and accommodation.

The event rooms and facilities including accommodation are all in the same location and on one floor. If staying you will be able to enjoy Tea/Coffee/Water and Juice with biscuits and similar snacks, complimentary for the whole of your stay in the bar area.

There is also a paying bar where you are able to order drinks and a limited range of food.
