

WARWICK ANNUAL MEETING - AUGUST 2019

It's that time again and I will be coming along, and as usual will have some very interesting, rare and unique Rupert items on my stall.

I will be bringing along a number of scarce and seldom seen Rupert items including an original 1936 Rupert Annual in d/w, plus other early Annuals as well as a number of the difficult to find 1942 Rupert Annuals as well as quite a few Mint pre-1970 copies. I will also have with me some 1930's Dutch Rupert jigsaws, a Dutch brass wall plaque, the rare 'Rupert and the Snowman' cut-out book plus a number of 1920's Rupert Little Bear's Adventures and all the Nelson books. There will also be many other difficult to find items, all only available on the day.

I will be bringing along examples of original Rupert artwork by Mary Tourtel, Alfred Bestall, John Harrold, Alex Cubie and others. I also have a number of early newspaper story cuttings, including some duplicates from Bestall's own collection annotated by him. Let me know if you are interested and I will bring them along.

I have recently purchased a number of Rupert collections to obtain things that I personally want, so all the tasty spare items will be brought along and priced to sell.

I can't bring everything I have along, but if there is anything specific you are seeking let me know, and if I have it I will bring it along, reserved for you to view.

I am a collector, not a dealer so I can always sell at very reasonable prices, well below that of dealers who do bookselling for a living. By all means try a dealer or two first, see what their prices are, and then contact me and see what I can offer.

Facsimiles always available by post
