MEMBERSHIP JOINING AND RENEWAL FORM

The *Followers Of Rupert* is a non-profit making society catering for the never ending interest in the Rupert Bear stories, past, present and future. Founded in 1983, there are members around the world.

We produce our own exclusive Rupert merchandise such as Christmas cards, postcards, prints, badges etc. These may be purchased only by members.

A national get-together – the Followers' Annual – is held every year and a Members' raffle with many exclusive Rupert prizes not on sale elsewhere.

There is a Followers' library containing copies of most newspaper strips plus all the annuals and many other Rupert books which are available for loan to members.

We currently offer three different levels of membership:

✪ **Full members** receive paper copies by post of our Newsletters and any other Followers' publications, and also have full access to the website◆ May purchase from our sales list.

SPECIAL OFFER – free gifts for new Full Members:
If you join now as a new full member you will receive the free gifts of a Newsletter Binder, a Mouse Mat, and a Followers' scarf and pen. (no colour choice and all subject to availability).

✪ **E.Members** may access via the website all our Newsletters and other Followers' publications. May purchase from the Followers' sales list.

✪ **Associate Members** may access only the public part of the website and Sales area. They may make purchases but do not have membership voting rights nor access to Newsletters.

◆**Full Members, please note**: If you wish to access the private members' sections of the website, you must provide an e.mail address◆ We will then issue you with a password. When you first log-in you may change the password to one of your choice.

Renewal Reminder

Data Privacy Statement
We do keep limited personal data of members (names, addresses and, if provided, phone numbers and e-mail addresses) which we believe is collected, processed and secured appropriately. This information is used only for the legitimate interests of membership, such as distributing the Nutwood Newsletter and other information to members, maintaining the membership records, processing renewals, communicating to members individually on membership matters where appropriate, and, if the member has requested these services, access to the members' area of our website and our Facebook group. Members' information is shared by certain committee members in order to undertake their duties for the Followers. We supply members' addresses to our printers to enable them to mail the Nutwood Newsletter, which addresses they will then destroy when that process is completed. Otherwise we do not provide data to any other organisation or individual.
We have, as required under the new regulations, formally appointed a 'data protection officer' and 'data controller'. These roles are now assigned to our Membership Secretary, Tony Stanford. We have also produced a Data Protection policy, which will be reviewed regularly by your Committee.
If you have any concerns about any of this, would like a copy of our Data Protection policy, or would like to see the details we hold on you, please ask Tony Stanford, our Membership Secretary. His contact details are on this form.
