

Rupert – Christmas Offers 2019

It was nice to meet a number of you who came along to Warwick and I was pleased that I managed to fill some gaps in your collections.

It's that time of year again and it is a good opportunity to treat yourself to something a bit special for Christmas.

As always I remind you that I can usually help you to upgrade or fill a gap in your collection with an original Rupert Annual, (I have most years available from 1936 and a good number pre 1970 in Fine untouched condition). Or perhaps you might like to add some Adventure Series (the next best thing to a Rupert Annual with most stories never having been reprinted elsewhere), or a Rupert Annual Facsimile, far cheaper than an original and guaranteed to be in perfect condition.

So now is the time to treat yourself for Christmas and, though I do not gift wrap items, all parcels will be securely packed and sent post free.

I can as usual offer some scarce, unusual and top quality items

**** **The Adventures of Rupert the Little Lost Bear** (Nelson)

In about MINT condition in original glassine wrapper. – **£750**

**** **'Fairy Child'** inscribed VG+/Fine – **£225**. (others in the series also available)

***** **Rupert Music Book No. 2** – Fine/Mint copy @ **£195**

***** **The original John Harrold coloured artwork** for the cover of the Rupert Colour Library **'Rupert and the Young Dragon'**. (it is mounted, glazed and framed)

Not a lot of original John Harrold colour artwork has appeared on the market, so this is quite a rare opportunity to own a piece. Image measures 310 x 210mm and would look very impressive on a wall in a Rupert room. Supplied with a copy of the book. – **£450**.

***** **Rupert and the Magic Key/Brigands** – (Rupert Little Bear Series 1920's)

Some dampening marks on rear cover & endpaper, o/w a VG+ clean bright copy @ **£395**.

This title is one of the scarcer ones in this series. Only 'Reynard Fox' and 'Dreamland' are more difficult to find, and sorry I do not at present have copies of those available.

As well as the above I also have available most, if not all, of the **Rupert Annual Facsimiles** in Mint condition plus most **post-1970 Annuals** also in Mint condition.

Let me know what you are seeking and I will let you know when a copy comes my way.

All items post-free of course. Ring to check copies are still available.
